

# PROJECT

Team ID	NM2023TMID02678
Date	21.10.2023
Project Name	How to Create a Landing Page in HubSpot

Brand Name: New version

Category: Motivation class

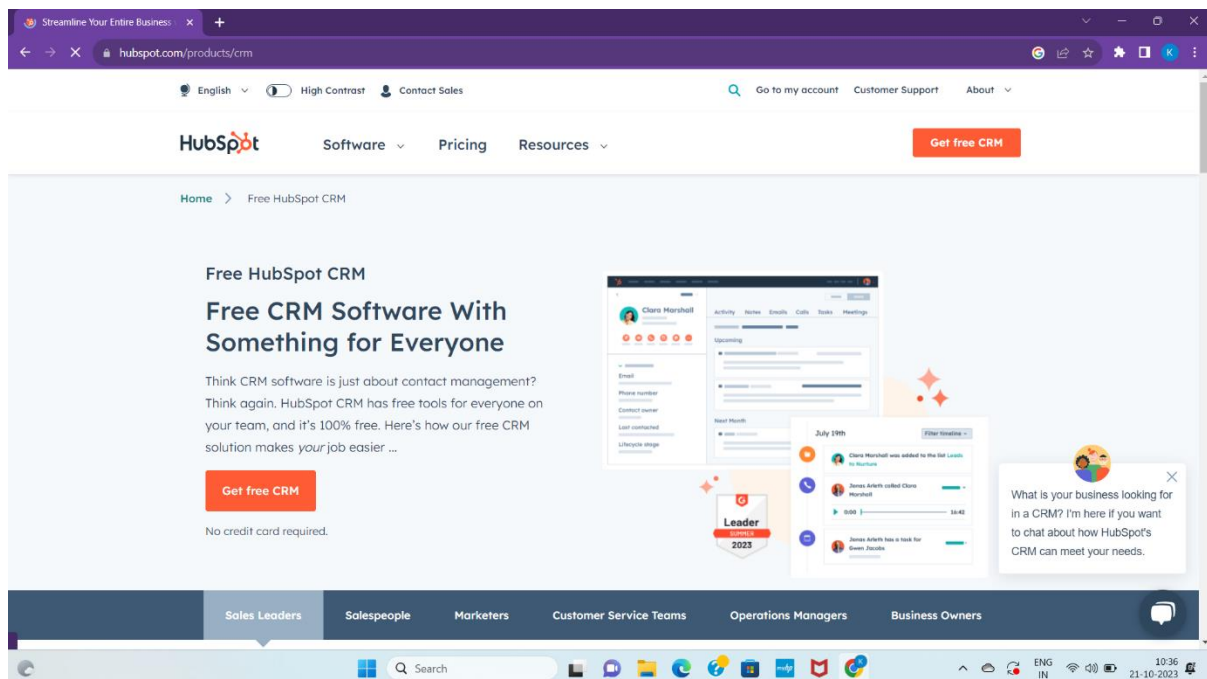

Email: [newversion172002@gmail.com](mailto:newversion172002@gmail.com)

Hubspot Landing Page URL: <https://new-version-143500742.hubspotpagebuilder.eu/new-version>

Documentation:

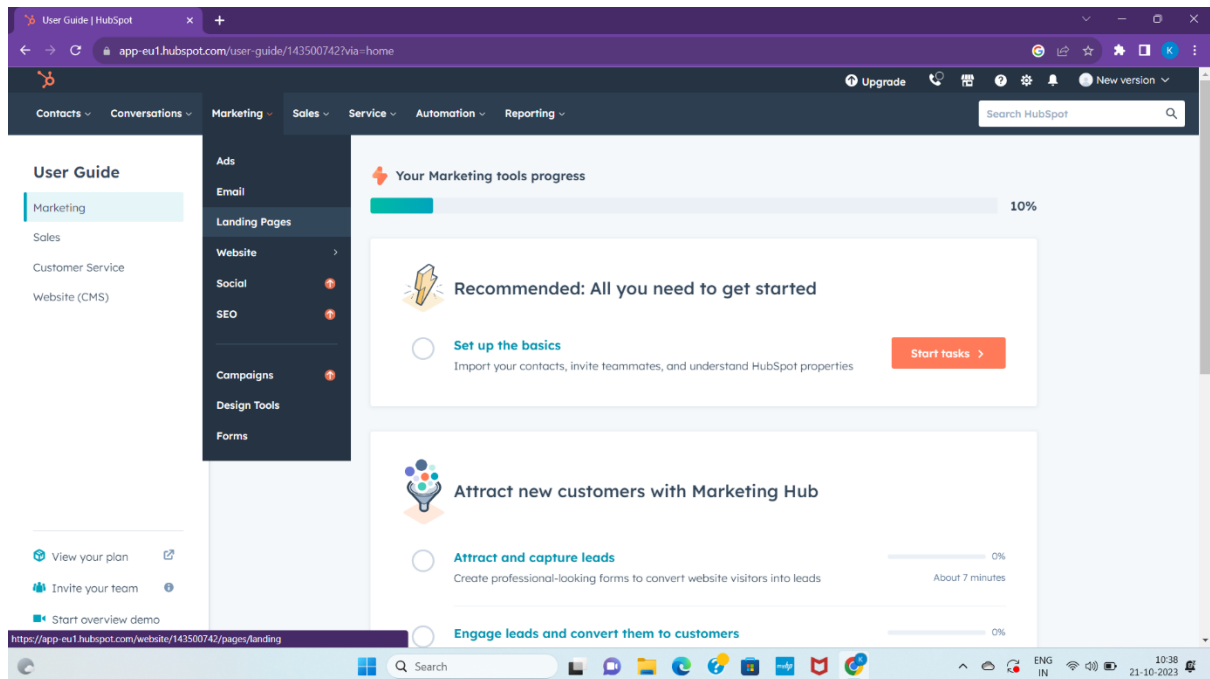

Step 1:

Click “Get free CRM” in hubspot website.

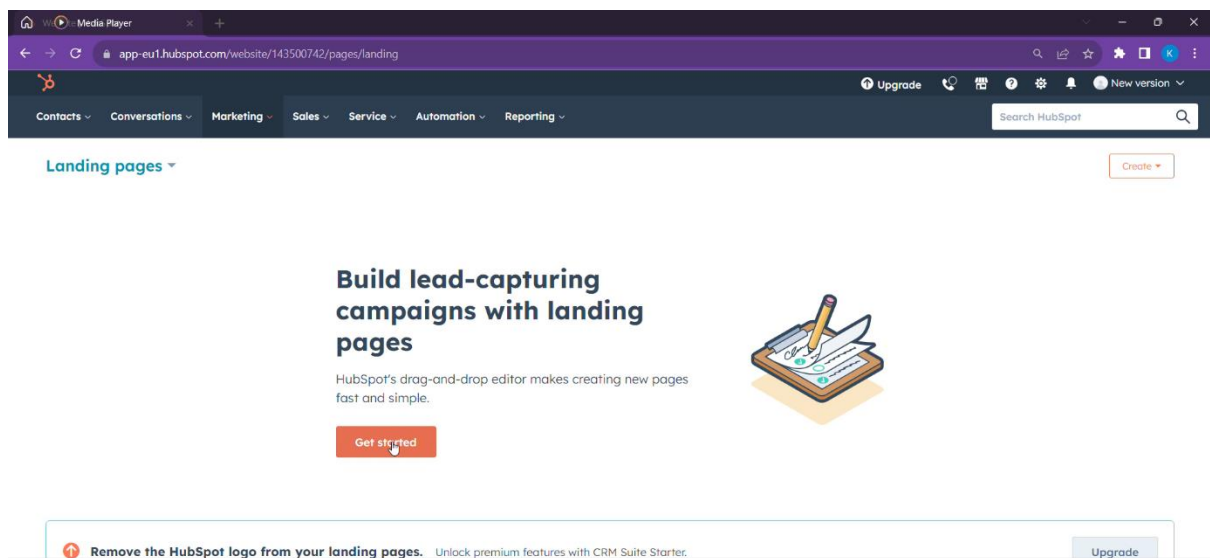

Step 2:

Click “Marketing” and select “Landing pages”.

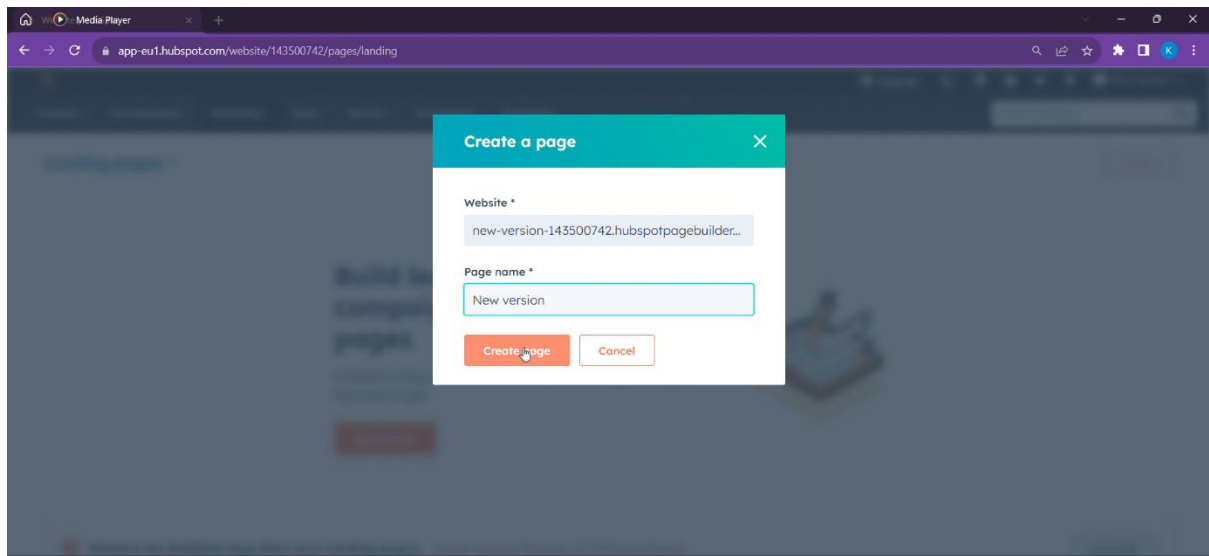

Step 3:

Click “Get started”.

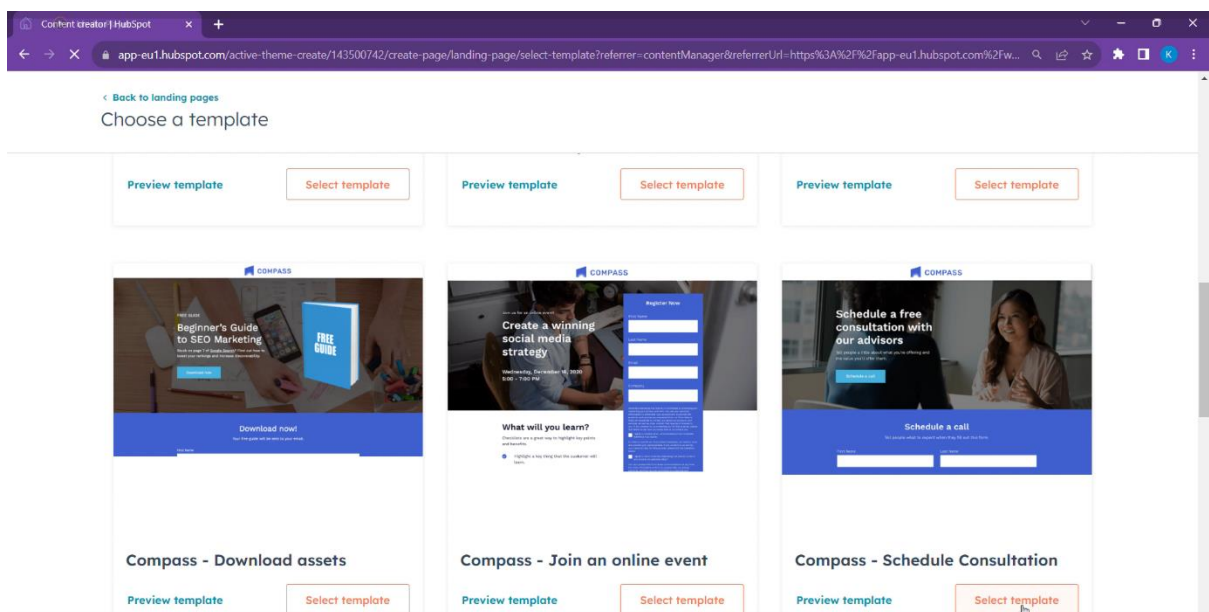

Step 4:

Give page name and select “Create page”.

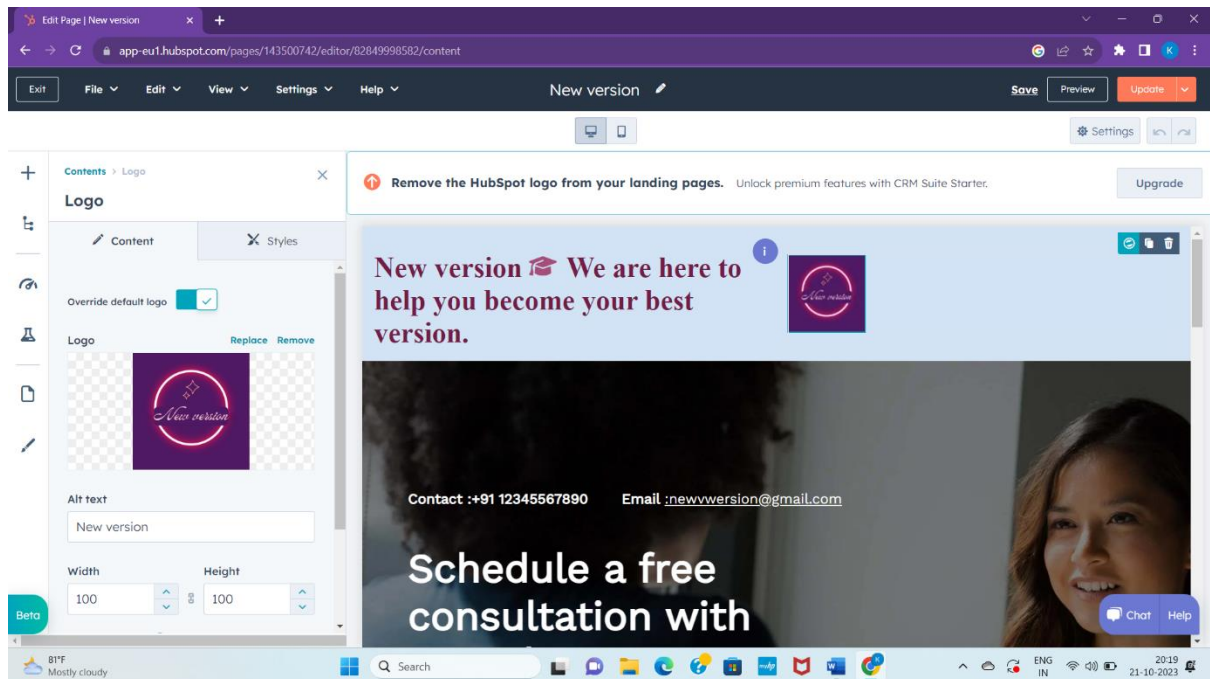

Step 5:

Choose a template for your Landing Page.

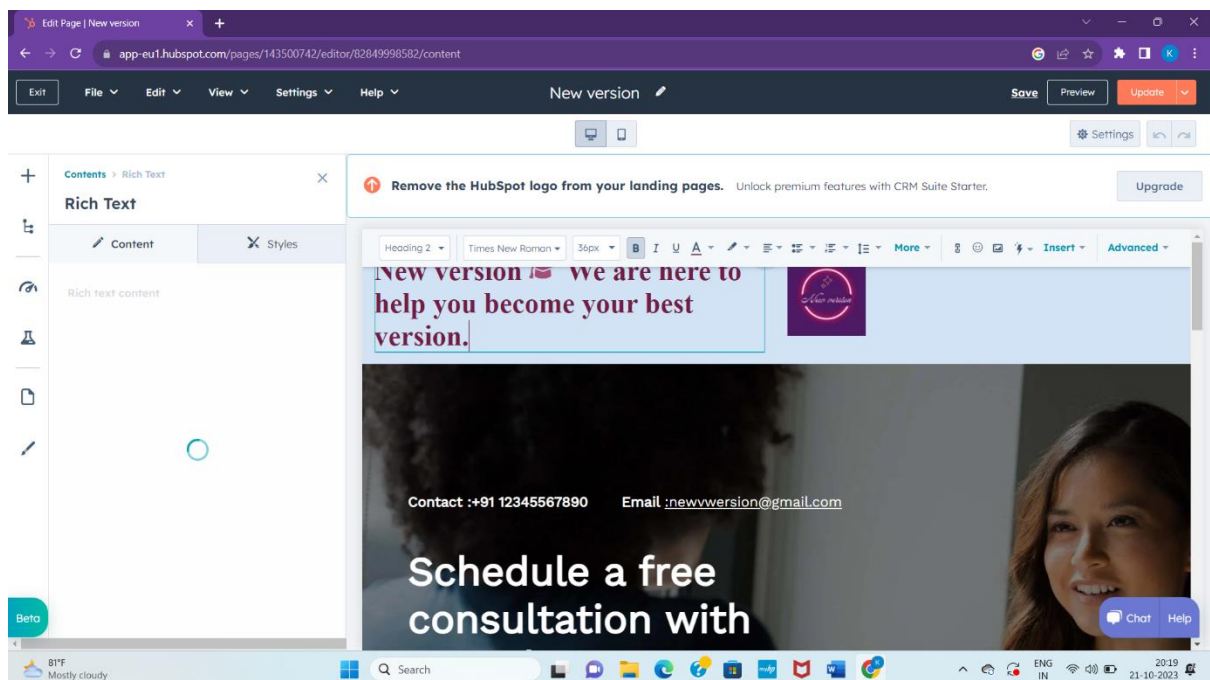

Step 6:

Click the logo replace with your brand logo.

Step 7:

Edit the text about brand and service.

Step 8:

Add a registration form.

The screenshot shows the HubSpot landing page editor interface. The browser address bar displays `app-eu1.hubspot.com/pages/143500742/editor/82849998582/content`. The top navigation bar includes 'Exit', 'File', 'Edit', 'View', 'Settings', and 'Help' menus, along with 'New version', 'Autosaved', 'Preview', and 'Update' buttons. A left sidebar contains a 'Contents' pane with 'Form' selected, and a 'Form' configuration pane with fields for 'Form Title' (Registration Form), 'Form' (Choose a form), and 'Form content'. The main workspace shows a 'Registration Form' with input fields for 'First Name', 'Last Name', and 'Email\*', and a 'Submit' button. A top banner reads 'Remove the HubSpot logo from your landing pages. Unlock premium features with CRM Suite Starter.' with an 'Upgrade' button. The bottom status bar shows '80°F Mostly cloudy', a search bar, and system icons for time (20:22) and date (21-10-2023).

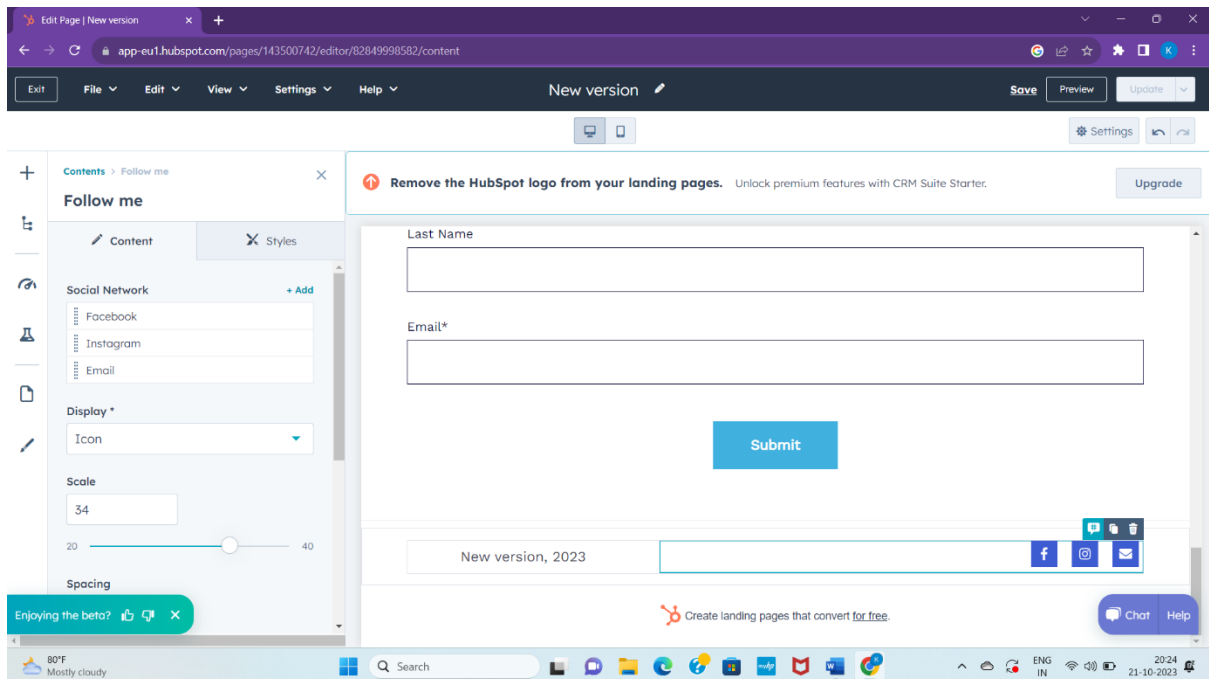

Step 9:

Add the submit button.

The screenshot shows the HubSpot landing page editor interface after adding the submit button. The browser address bar displays `app-eu1.hubspot.com/pages/143500742/editor/82849998582/content`. The top navigation bar includes 'Exit', 'File', 'Edit', 'View', 'Settings', and 'Help' menus, along with 'New version', 'Save', 'Preview', and 'Update' buttons. The left sidebar shows the 'Form' configuration pane with 'Form Title' (Registration Form), 'Form' (Choose a form), and 'Form content'. The main workspace shows the 'Registration Form' with input fields for 'Email\*' and a 'Submit' button. A top banner reads 'Remove the HubSpot logo from your landing pages. Unlock premium features with CRM Suite Starter.' with an 'Upgrade' button. The bottom status bar shows '80°F Mostly cloudy', a search bar, and system icons for time (20:44) and date (21-10-2023).

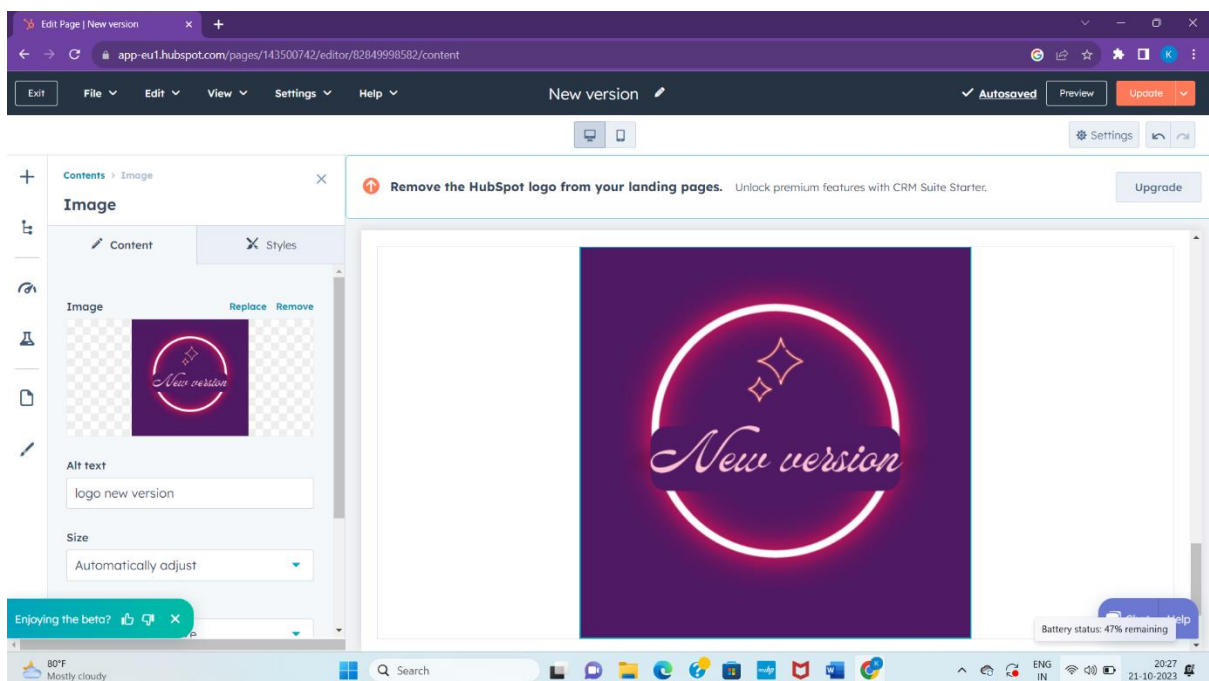

Step 10:

Insert the Follow me icons.

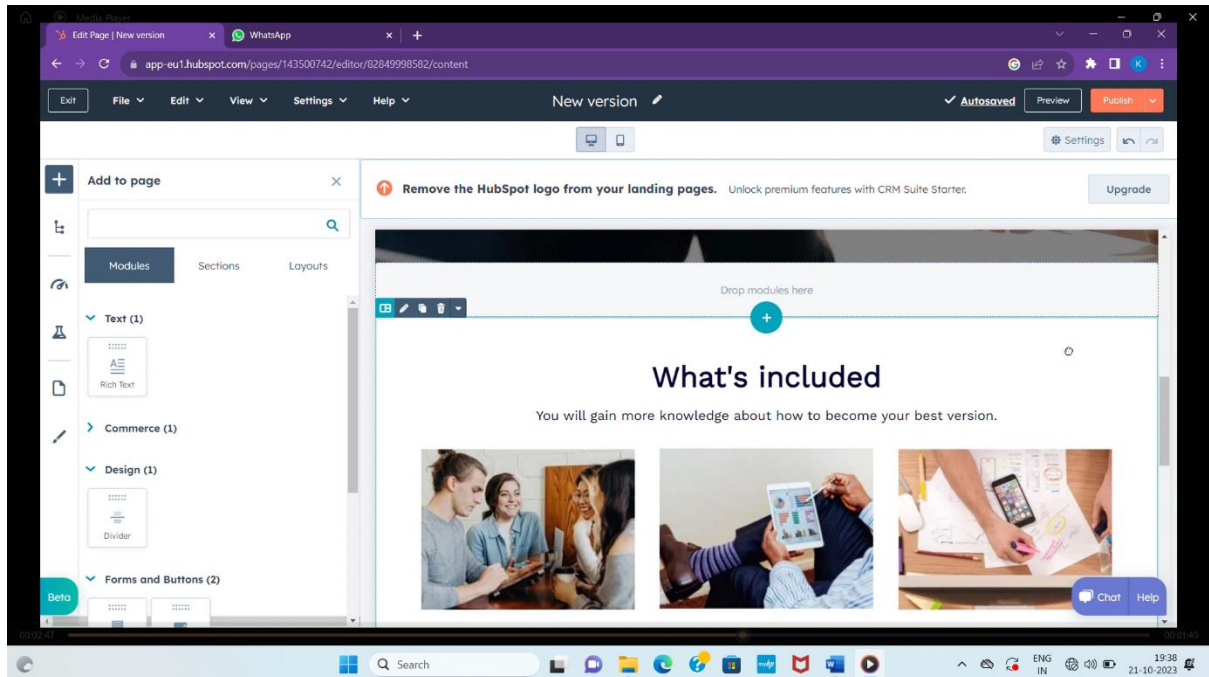

Step 11:

Insert the brand logo image.

Step 12:

Publish your Landing page.
